

# GLASS & MULTI SURFACE CLEANER CONCENTRATE

Limpiador Concentrado Para Cristales

## DESCRIPTION:

This product is a fast, easy to use glass cleaner concentrate that quickly dissolves deposits of grease, dirt, smoke film, finger marks, lipstick, crayon smudges and oil, then wipes off with a clean cloth or towel. A good glass cleaner is hard to find. 100% of all glass cleaners say they are streak free, in actuality, 90% are not. This product has been researched and developed into the best glass cleaner on the market today. Our product is fortified with a fantastic solvent type cleaner and ammonia to give a great cleaning and yet at the same time it will wash absolutely streak free.

**MUST BE DILUTED WITH  
16-20 PARTS WATER BEFORE USE.**

## CAUTIONS:

Contains isopropyl alcohol. If swallowed, induce vomiting. Call a physician immediately. **DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME** Keep container closed when not using. Triple rinse container thoroughly before discarding in an authorized landfill site.

## DIRECTIONS:

Product may be applied using a hand held trigger sprayer, or apply with a clean cloth. Use sparingly. Spray the surface to be cleaned and wipe off without letting product dry. Polish surface to remove all traces of dirt and soil. Surface will be clean, bright and protected. This product has been developed for delivery in a concentrated form to facilitate savings in freight costs, storage and to ease handling larger volumes of materials.

### CHART FOR READY TO USE CLEANER:

|           |                                    |
