

PREMIUM TIRE DRESSING

Neumático Vestir

DESCRIPTION:

This product restores the black finish to faded worn tires and vinyl tops making them look new again. Our product is also excellent to use on floor mats, dashboards, engine hoses and fire walls, batteries and all rubber products. This product guards against ozone, ultraviolet rays and oxygen that crack, dull, harden or rot these materials. It also makes the surface antistatic to repel dust and dirt.

PRECAUTION: AL USARIO: Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

TO THE USER: If you cannot read English, do not use this product until this label has been fully explained to you.

DIRECTIONS:

Apply this product to a tire or vinyl top that has already been cleaned. It will immediately penetrate into the pores of the tire or vinyl top to protect and make the surface "look like new" again. This product is recommended to car dealers, car washes, car detail shops, trucking companies, car shops, motor home lots, heavy equipment companies, etc.

CAUTIONS:

Protect product from freezing. Do not ingest. If this does occur, drink large volumes of water. For eye or skin contact, flush area with water for 15 minutes. Keep container sealed when not in use to prevent contamination. Triple rinse empty container and discard in an authorized landfill site.
