

BACTERIA CONCENTRATE

Bacteria Concentrada

DESCRIPTION:

Bacteria Concentrate is a multiple spore blend concentrate designed for use as a base culture in the formulation of biological based products. Bacteria Concentrate is designed specifically to improve the bioenzymatic liquefaction and digestion of organic waste. This concentrate promotes the rapid breakdown of organic matter in applications where accelerated enzymatic reactions are desired, such as in drain lines, grease traps and waste degrading applications.

Recommended for drain lines and grease trap treatment in restaurants and food plants, bathroom cleaner and deodorizer, carpet and fabric care, laundry pre-spotter, portable toilet treatment and septic and waste treatment.

CAUTIONS:

Store at room temperature, do not expose to extremes in temperature variation. Do not take internally. If this should occur, contact physician immediately. Drink copious amounts of water. For eye or skin contact, flush area with clear water for 15 minutes. Do not get product into cuts or breaks in the skin. Keep container sealed when not in use to prevent contamination.

DIRECTIONS:

Always use during times of least use activity to allow bacterial colonies to reach peak digestive action.

DRAIN LINES: Use 1 oz. product for each 2 inches of pipe diameter twice a week.

GREASE TRAPS: Use 1-2 oz. product for each 20 cubic feet capacity. Flush down with a cup of warm water. For larger grease traps use 2-3 oz. daily following the same procedure or by using our drain line feeder system.

SEWAGE PLANTS, SETTLING TANKS: Use 1 gallon of product per million gallons of waste per day for 3 days, then reduce to 1/2 gallon per day.

CHEMICAL TOILETS: Add 1/2 oz. per gallon of water in hold tank. At dump station, use 1/2-1 oz. per 50 gallons of tank capacity, then use 1/2 pint per week for maintenance.

SEPTIC TANKS: Add 1 pint per 100 cubic feet capacity for initial treatment. Add 2 oz. per week for maintenance use.

PRECAUTION: AL USARIO: Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

TO THE USER: If you cannot read English, do not use this product until this label has been fully explained to you.)
