

# DESCALER

## Anti-corrosion

### DESCRIPTION:

This product is the economical, safe and easy way to remove rust, corrosion, scale and water deposits from almost all surfaces. It keeps fumes to a minimum and is harmless to most paints and finishes. This descaler acts quickly to penetrate and lift away scum and water deposits. This descaler is a chemical combination of deep penetrating detergents and safe, easy to use, mild acids. It will dissolve carbonates and other hard water scales, such as Iron, Rust, Magnesium, and many other insolubles.

### DIRECTIONS:

For several soil conditions, dilute product with equal parts of water. Light soil accumulations may be removed with a dilution of one part product to 3 parts water. Adjust dilution to most appropriate concentration. Apply to surface by mopping, spraying, brushing, or by immersion in solution. Allow surface to remain wet with solution for at least 5 minutes. Agitate if required for even distribution of product. Rinse thoroughly with clear water and allow to dry. Repeat application if necessary.

### CAUTIONS:

Contains buffered hydrochloric acid. Product concentrate causes severe burns. Avoid inhalation of vapor. Keep container sealed when not in use. In case of accidental ingestion, do not induce vomiting. Drink large amounts of a solution of water and baking soda or milk of magnesia. Seek medical attention immediately. For eye or skin contact, flush area with clear water for 15 minutes, then flush with a solution of baking soda and water. Contact physician immediately. If spilled onto concrete surface, flush with clear water to prevent etching. Triple rinse empty container with water prior to discarding in an authorized landfill site  
**Note:** Protective goggles, gloves, boots and clothing should be used during product application for safety to personnel.

**PRECAUTION: AL USARIO:** Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

**TO THE USER:** If you cannot read English, do not use this product until this label has been fully explained to you.
