

B00993 Halt

Cleaning

Features

- Alkaline Based Drain Maintainer
- RTU
- Dissolves Grease, Oil & Fats

Description

This powerful, highly concentrated; ready-to-use, alkaline drain opener and maintainer may be used to clear clogged drains of organic matter, hair, paper, grease, and oils. As a drain maintainer, it can keep drain lines clear and free flowing and reduce offensive odors which are emitted by rancid matter in the drain lines. This alkaline drain opener works by saponification of grease and oil, turning them from hard, insoluble matter into soft, soapy-like material which is soluble in water. Note: Do not use this product with any other type of chemical.

TECHNICAL INFO:		
Physical Properties	Appearance	Clear
	Color	Red
	Odor/Fragrance	None
	pH	> 13.5
	Freeze/Thaw Stability	Good
Environmental Profile	Glycol Ether Content	None
	Biodegradability	No
	Chlorinated Solvents	None
	Green Status	None
	Recyclable Packaging	Yes
Regulatory Compliance	% VOC By Weight	0.0
	VOC Restricted Regions	None
	Food Processing Suitability	N/A
	EPA #	N/A
	Flammability per CPSC	N/A
	Flash Point	None to Boiling
