

# FLOOR CLEANER

Limpiador De Pisos

## DESCRIPTION:

This product is a concentrated blend of water, penetrants, wetting agents and 100% synthetic detergents. It is one of the few cleaners that attacks both water soluble molecular structure of oil films, greases, gum and varnish residues without damaging the surface itself. All dirt, soils, etc., are then able to be completely rinsed off with water.

Good for use in restaurants, bakeries, meat packers, poultry processors, bottling plants, etc. Removes soot, smoke stains and grease from food processing and wrapping machines. Excellent for removing heavy grease and soil deposits from walls, floors, loading areas, etc. where food is prepared. Use to clean stoves, hoods, ventilating and air filtering system, floors, walls and fixtures. Meets USDA guidelines for use in food processing plants.

## DIRECTIONS:

Spray or mop on surface to be cleaned. **General Cleaning:** Dilute 1 part product with up to 20 parts cold or hot water, depending on surface to be cleaned.

**Heavy Duty Cleaning:** Dilute 1 part product with 4 to 10 parts water.

## CAUTION:

Product should be stored in an area protected from freezing. Do not take internally. If ingested, drink large amounts of water. Contact physician. For eye or skin contact, flush area with clear water for 15 minutes. Seek medical attention if irritation persists. Triple rinse empty container prior to disposal in an authorized landfill site.

**PRECAUTION: AL USARIO:** Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

**TO THE USER:** If you cannot read English, do not use this product until this label has been fully explained to you.
