

FOAMING HAND SOAP

DESCRIPTION:

This product is formulated with specialized surfactants that are made to lift and suspend dirt and grime off of your hands. This formula was designed to provide the customer with a more economical option over the standard "cartridge" foam soap dispensers. Why pay for something you are going to throw away after it's empty? With this product when the dispenser is empty, just refill for a fraction of the cost.

PRECAUTION: AL USARIO: Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

TO THE USER: If you cannot read English, do not use this product until this label has been fully explained to you.

DIRECTIONS:

Pour directly into a bulk fill hand soap dispenser like the XIMP9325. Dispense onto hands and work into a rich lather and rub into skin until clean. Rinse with clear water and dry. Procedure may be repeated several times daily without fear of causing dermal irritation.

CAUTIONS:

Protect product from freezing. Keep container sealed when not in use to prevent contamination. If product is splashed into eyes, rinse with clear water for 15 minutes. Seek medical attention if irritation persists. If ingested, drink large amounts of water and consult physician. Triple rinse empty container before discarding in an authorized landfill site.
