

ICE MELTER

Derretidor Hielo

DESCRIPTION:

This product has over 24 times the melting power of rock salt at 0° F. Tests conducted at 100% relative humidity and 0° F. showed our product had melted an average of 205 grams of ice in just 15 minutes, compared to an average of 8.7 grams melted by rock salt. Hence it has 24 times more melting power than rock salt. Leaves no messy residue to be tracked indoors. Available in 25 pound, 50 pound, 100 pound, 500 pound and 2,000 pound containers.

CAUTIONS:

Contains calcium chloride, contact may cause eye injury and skin irritation. Harmful if swallowed. In case of contact, promptly flush eyes with plenty of water for at least 15 minutes and get medical attention. For skin, flush with plenty of water.

DIRECTIONS:

Just sprinkle our product on. Instantly its pure white crystalline pellets react chemically with ice and snow, generating powerful radiant heat. In just minutes the snow and ice are gone completely. Apply sparingly 2 to 4 ounces per square yard to drives, steps and walks, then remove melted slush.

NOTE:

Store in dry area. Do not store in attic or upper floors where leaking of contents could cause damage. Seal tightly any partly used bag. Seller makes no warranty, express or implied, concerning this material or the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
