

# INDUSTRIAL DEGREASER

Limpiador Industrial

## DESCRIPTION:

This product is a heavy-duty water soluble safety solvent. It is safe and effective on all washable surfaces for removing soils such as, carbon, creosote, dyes, grease, ink, mildew, oil and wax. It contains a rust inhibitor to retard corrosion of metals. It is fireproof, contains no acids and gives off no dangerous toxic fumes. Biodegradable and environmentally friendly. It incorporates surfactants and emulsifiers to penetrate, dissolve and flush away even the most tenacious grease and grime.

## CAUTIONS:

Contains butyl cellosolve and alkaline materials. Use only in well ventilated areas. Avoid contact with skin and eyes. If contact occurs, flush with water for 15 minutes. Seek prompt medical attention. Do not ingest. If swallowed give one to two glasses of water followed by fruit juice. Call physician immediately. Triple rinse empty container with water before disposal in an authorized landfill site

PRECAUTION: AL USARIO: Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.  
TO THE USER: If you cannot read English, do not use this product until this label has been fully explained to you.

## DIRECTIONS:

This industrial strength cleaner/degreaser is for general maintenance use to clean all surfaces which are not harmed by water alone. Concrete floors, brick, masonry surfaces, porcelain and enamel may be cleaned free of soils. This product may be used for manual or mechanical cleaning operations. Dilute to desired concentration, apply to surface with sprayer, brush, sponge or mop. Agitate as required then rinse with clear water. Allow surface to air dry or wipe dry with clean damp cloth.

## RECOMMENDED DILUTIONS:

- |                                 |      |
|---------------------------------|------|
| 1. Light Soil Conditions: ..... | 1:40 |
| 2. Heavy Soiling: .....         | 1:10 |
| 3. Woodwork and Trim: .....     | 1:40 |
