

Item #7008E

DESCRIPTION:

LOW SUDSING DETERGENT - For all washing conditions Each 50lb. bucket contains enough detergent for up to 320 wash loads.

- Dissolves completely - Leaves no residue
- Loves the environment - Biodegradable
- Nonionic with sequestering and suspending agents
- Contains rinsing aids and fabric softeners

Works well in hot, warm or cold water. Handy scoop included for easy measuring.

CAUTIONS:

Eye irritant. May be harmful if swallowed.

FIRST AID:

INTERNAL: Give large quantities of milk or water and contact a physician immediately.

EXTERNAL: Flush with cool water and contact a physician if irritation persists.

KEEP OUT OF REACH OF CHILDREN.

BRODY CHEMICAL

LAUNDRY CONCENTRATE ECONOMY

DIRECTIONS:

Use 1 to 2 scoops per wash load. Use a little more for extra large loads, heavily soiled clothing or extremely hard water conditions. Since this is a low sudsing product, you will not see a layer of suds on the water.

For best results: Wash clothes with warmest water indicated in clothing care labels. Always use a cold water rinse to minimize wrinkling and save energy.

Pre-treating: Stains may be pre-treated by adding enough water to detergent to make a stiff paste. Apply the paste to stains and allow to stand for 15 minutes, then wash clothing as usual.

PRECAUTION: AL USARIO: Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

TO THE USER: If you cannot read English, do not use this product until this label has been fully explained to you.)
