

# ORANGE SOLVENT

Solvente Con Zumo De Naranja

## DESCRIPTION:

An excellent organic, non-petroleum, cleaner/degreaser, and deodorizer. It is completely biodegradable and environmentally safe. Contains no caustics, acids, petroleum distillates, chlorinated hydrocarbons or chlorinated aromatic solvents. Orange Solvent contains a natural citrus solvent and is particularly appropriate where poor ventilation is a problem. Use to clean and degrease molds, dies, unpainted concrete floors, and industrial equipment. Effectively emulsifies tar and asphalt and removes many industrial glues and protective coatings. Ideal for use as a cleaner and deodorizer in drain pipes, grease traps, sewage treatment plants, rendering plants, refuse dumps, trash cans and dumpsters. May be diluted with water (it will emulsify) as much as 2 ounces per gallon for light cleaning. For most heavy duty jobs dilution will be less - 1 part Orange Solvent with 2 to 4 parts water. USDA Authorized as a drain opener or deodorant in inedible product areas. Also available in aerosol form.

## DIRECTIONS:

**Heavy Duty Cleaning:** Degreasing and rubber tire removal on concrete floors, spray onto surface. Let stand 2 minutes, scrub thoroughly and rinse off.

**Surface Degreasing:** Apply by spraying, brushing, or mopping. Allow solution to stand for 5 minutes. Rinse thoroughly. Product may also be applied straight and pressure washed off with water.

**Drain Cleaning:** Pour 6 to 8 ounces of product directly into clogged drain. Let stand for 1 to 2 hours. Flush drain with hot water. To control severe odors dilute 2 ounces of product with one gallon of water.

Areas for use include sewer plants, garbage trucks and dumpsters, industrial plants, restaurants, hospitals, schools, bathrooms and other similar areas. Authorized by USDA for use in federally inspected meat and poultry plants.

**PRECAUTION: AL USARIO:** Si usted no lee Ingles, no use este producto, hasta que la etiqueta le haya sido explicada ampliamente.

**TO THE USER:** If you cannot read English, do not use this product until this label has been fully explained to you.
