

SLIDE OUT #1

SLIDE-OUT

is a remarkable, instant red clay remover. When used in conjunction with part 2 solution, it immediately removes ground in red clay stains.

DIRECTIONS FOR USE:

Always wear PVC or rubber gloves when handling. Lightly shake squeeze-type applicator bottle prior to use. Carefully saturate stain with SLIDE-OUT (part 1 solution) and follow up with SLIDE-OUT (part 2 solution) over affected area. You will see an immediate color change, from violet to clear, indicating that the stain has been removed. Rinse thoroughly with fresh water and launder as usual.

FIRST AID:

INTERNAL: Do not induce vomiting if swallowed. Immediately drink large quantities of water. Seek immediate medical attention.

EYES / SKIN: Immediately flush with plenty of cool running water. Seek medical attention.
