

TAR ATTACK CITRUS

DESCRIPTION:

A new natural oil formulation that keeps pace with today's safety and environmental regulations. Powerful degreasers and cleaners, coupled with natural oils and citrus extracts are specially blended to out perform the conventional hazardous solvent degreasers. This multi-purpose concentrate instantly emulsifies grease, oils and fats without the use of harsh acids, alkalines or petroleum solvents. The vapors from this product are not considered harmful. This allows for a wide variety of uses indoors as well as out. This is a great alternative to costly orange solvent products.

CAUTIONS:

Do not take internally. Keep container sealed when not in use. Contains anionic and non ionic surfactants. Avoid contact with eyes and prolonged contact with skin. In case of eye contact, flush with water for 15 minutes then get prompt medical attention. For skin, wash with water. If irritation persists, get medical attention. Contains no hazardous compounds as defined by OSHA Regulation

DIRECTIONS:

Heavy Duty Cleaning: Degreasing and rubber tire removal on concrete floors, spray onto surface. Let stand 2 minutes, scrub thoroughly and rinse off.

Surface Degreasing: Apply by spraying, brushing, or mopping. Allow solution to stand for 5 minutes. Rinse thoroughly. Product may also be applied straight and pressure washed off with water.

Drain Cleaning: Pour 6 to 8 ounces of product directly into clogged drain. Let stand for 1 to 2 hours. Flush drain with hot water. To control severe odors dilute 2 ounces of product with one gallon of water.

Areas for use include sewer plants, garbage trucks and dumpsters, industrial plants, restaurants, hospitals, schools, bathrooms and other similar areas.

Areas for use include asphalt trucks & equipment, garbage trucks and dumpsters, industrial plants, restaurants, and other similar areas.
