

PRECISION SOLID DETERGENT

DIRECTIONS:

A smooth, uniform ware wash block for use with automatic dispensing equipment. It has been specifically formulated to be safe for use on metal kitchenware. The capsule is neither too hard nor too soft, but dissolves at just the right speed to provide uniform levels of the various cleaning ingredients in your wash tank throughout the entire life of the capsule. It has reserve capacity for tough cleaning jobs.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY

DANGER: Contains caustic soda (sodium hydroxide). Can cause severe chemical burns. Eye contact may cause blindness. Harmful or fatal if swallowed. Protect eyes and skin from contact with product or its solutions.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS:

Safe for use on Aluminum Pots and Pans. Consult your Service Representative for specific use directions. Use only in an approved dispenser. Remove detergent container cover. Place container open end down in dispenser. Carefully lift container, when empty from dispenser. Turn upright, and use cover from new container. If product contacts hands, wash off immediately.

FIRST AID INSTRUCTIONS:

EYES: Immediately flush with running water for 15 minutes and get medical attention. **EXTERNAL:** Immediately flush skin with running water. See physician if burns appear or irritation persists. Remove contaminated clothing and wash before reuse. **INGESTION:** If swallowed, DO NOT induce vomiting. Rinse mouth and immediately drink 1-2 glasses of water or milk. Transport to an emergency center for immediate medical attention.
