Sanitizer

10 Minute Disinfectant at 1076 ppm

KEEP OUT OF REACH OF CHILDREN

CAUTION

Follow the Directions for Use on the pesticide label when applying this product. The product in this container is diluted as directed on the pesticide label. This is the ready-to-use dilution of Trust Medical's concentrate Defender.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. If present, remove contact lenses after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PRECAUTIONARY STATEMENTS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Wear chemical-resistant gloves and safety glasses or face shield when making up solution.

Refill only with this product. Take care to update the expiration date on refillable bottle if concentrate kept past one day and replace bottle if it becomes worn or damaged.

Refer to pesticide label and Safety Data Sheet for additional safety information.

DIRECTIONS FOR USE

Sanitizer For Surfaces Including Floors:

1. Wear appropriate barrier protection.
2. Prepare a 100ppm (or higher) solution (refer to Dilution Chart below).
3. Place tablet(s) in water and let effervesce until dissolved (approx. 3-6 mins).
4. Apply to surface with mop, cloth, wipe etc.
5. Allow surface to remain wet for needed contact time.
6. Recommend that user prepare a new solution daily. However, solution may be kept for 3 days when in a closed container and dated below.
7. All treated equipment and surfaces that will contact food, feed, or drinking water must be rinsed with potable water before use.

REFER TO PESTICIDE LABEL FOR FULL DIRECTIONS FOR USE
