

# ARCTIC HEAT ICE MELT

- ❄️ Arctic Heat is 100% non-toxic to children and pets.
- ❄️ Each granule is coated with Liquid Heat, which melts to -25°F to help the product work faster.
- ❄️ The blue color additive helps prevent overapplication, which is the leading cause of tracking.
- ❄️ Arctic Heat has an unlimited shelf life when stored properly.
- ❄️ It is 100% soluble.
- ❄️ It will not harm vegetation when used as directed.
- ❄️ Arctic Heat is safe for concrete when used according to manufacturer's specifications.
- ❄️ The product is very economical when used according to label directions.
- ❄️ Arctic Heat is available and packaged in 50 lb. bags (48 per pallet) and is sold to end-users by the pallet and truckload (18 pallets per truckload).
- ❄️ All pallets are covered with a UV resistant black pallet cover and triple-wrapped with commercial grade cellophane for storage.
