

ECO MELT

- ❄️ Eco Melt is pet friendly.
- ❄️ Each granule is coated with Liquid Heat, which melts to -25°F to help the product work faster.
- ❄️ The product is non-tracking and resists staining of carpets and floors.
- ❄️ Eco Melt has an unlimited shelf life when stored properly.
- ❄️ It is 100% soluble and contains only biodegradable, natural minerals.
- ❄️ This product will not harm vegetation when used as directed.
- ❄️ Eco Melt is safe for concrete when used according to manufacturer's specifications.
- ❄️ The product is very economical when used according to label directions.
- ❄️ Eco Melt is available and packaged in 20 lb. bags (120 per pallet) or 50 lb. bags (48 per pallet) and is sold to wholesale distributors by the truckload (18 pallets per truckload).
- ❄️ All pallets are covered with a UV resistant black pallet cover and triple-wrapped with commercial grade cellophane for storage.
