

# ICE BEATER

## CLEAR

- ❁ Ice Beater contains only biodegradable, natural minerals. A unique blend of ice melting agents, including exothermic pellets, combine to produce a safer, more efficient and cost-effective product.
- ❁ It contains 15% calcium chloride exothermic pellets that give off heat instantaneously when combined with oxygen, snow and ice, which makes this product work much faster than just sodium chloride ice melt.
- ❁ Ice Beater melts snow and ice down to -15°F.
- ❁ It is available and packaged in 20 lb. bags (120 per pallet) or 50 lb. bags (48 per pallet) and is sold to wholesale distributors by the truckload (18 pallets per truckload).
- ❁ All pallets are covered with a UV resistant black pallet cover and triple-wrapped with commercial grade cellophane for storage.
