

# ICE BEATER

- ❁ A unique blend of ice melting agents, including exothermic pellets which combine to produce a safer, more efficient and cost-effective product.
- ❁ Colored light blue for ease in seeing where it has been spread.
- ❁ Contains 15% calcium chloride exothermic pellets that give off heat instantaneously when combined with oxygen, snow and ice, which makes this product work much faster than just sodium chloride ice melt.
- ❁ Melts snow and ice down to -15°F.
- ❁ It is available and packaged in 20 lb. bags (120 per pallet) or 50 lb. bags (48 per pallet) and is sold to wholesale distributors by the truckload (18 pallets per truckload).
- ❁ All pallets are covered with a UV resistant black pallet cover and triple-wrapped with commercial grade cellophane for storage.
