

# ICE MELTER

**Excel 50**  
**Calcium Chloride**  
**94-97%**  
**Pellets**

**The Premium Snow & Ice Melter**

Net Wt. 50 LB (22.7 kg)

MELTING POWER -25°F

The product label features a yellow background with a red top section. It includes a graphic of a white pellet and a red circular seal with the text 'MELTING POWER -25°F'.

- ❄️ This product chemically reacts with moisture to produce its own exothermic heat (hygroscopic).
- ❄️ It melts snow and ice 2 to 5 times faster than rock salt and blended ice melters.
- ❄️ The melter contains 100% white-crystalline prills that melt to -25°F.
- ❄️ The product is available in 50 lb. bags (50 bags per pallet and 17 pallets per truckload).
- ❄️ This melter meets ASTM D-98-93 and AASHTO M144-86 (1993) requirements for calcium chloride purity.
- ❄️ All pallets are covered with a UV resistant black pallet cover and triple-wrapped with commercial grade cellophane for storage.
