• WON'T HARM GRASS OR SHRUBS  
(IF USED AS DIRECTED)

• WORKS IN EXTREME SUB-ZERO  
TEMPERATURES

• SAFER ON CONCRETE

• PROVIDES INSTANT TRACTION

MADE IN  
USA

net contents: 50 pounds

#### **INSTRUCTIONS:**

Use 2 to 4 ounces per square yard for each ¼ inch of ice.

#### **INGREDIENTS:**

Sodium Chloride, Magnesium Chloride

#### **WARRANTY:**

This product will not harm concrete if used as directed, and if the user maintains good sidewalk maintenance practices, and if the concrete is of good quality as determined by the American Concrete Institute (ACI) specification numbers 302. IR, 308, and American Standard Testing Methods (ASTM) specification number C94.

#### **CAUTION:**

Flaking or spalling may occur when using ice melting agent on poor quality concrete. Ice melting agent should not be used on concrete that is less than 1 year old, chipped or cracked concrete, exposed aggregate, pre-cast concrete steps and masonry steps or walks. If you choose to apply this product on the above surfaces, you do so at your own risk and product warranty will not apply.

## **ARCTIC HEAT SNOW AND ICE MELTER**

**Arctic Heat is a unique blend of ice melting agents. These ingredients combine to produce a safe, efficient and cost effective ice melting product even at extremely cold sub zero temperatures. Available in 50 pound bags.**
