Premium Snow & Ice Melt

Polar Ice Melt

WORKS IN SUB-ZERO TEMPERATURES

Polar Ice Melt

Premium Snow & Ice Melt

- Long-Lasting • Economical • Pet Friendly
- Stain Resistant • Extended Shelf Life

INSTRUCTIONS:

Use 2 to 4 ounces per square yard for each 1/4 inch of ice.

INGREDIENTS:

Sodium Chloride, Magnesium Chloride.

WARRANTY:

This product will not harm concrete if used as directed, and if the user maintains good sidewalk maintenance practices, and if the concrete is of good quality as determined by the American Concrete Institute (ACI) specification numbers 302. 1R, 308, and American Standard Testing Methods (ASTM) specification number C94.

CAUTION:

Flaking or spalling may occur when using any ice melting agent on poor quality concrete. Ice melting agents should not be used on concrete that is less than 1 year old, chipped or cracked concrete, exposed aggregate, pre-cast concrete steps and masonry steps or walks. If you choose to apply this product on the above surfaces, you do so at your own risk and product warranty will not apply.

FIRST AID:

External - Wash exposed area with soap and water. Call physician if irritation persists.

Internal - Drink large quantities of milk or water. Call a physician immediately.
